

Nebraska Office of Highway Safety

ADDITIONAL CRASH STATISTICS

NEBRASKA

The Nebraska Department of Roads, Traffic Engineering Division – Highway Safety/Accident Records collects, analyzes, and publishes information about motor vehicle crashes that occur on Nebraska roadways. To link to statistics about Nebraska crashes [click here](#).

The National Highway Traffic Safety Administration annually compiles statistics specific to each state. For a link to the State Traffic Safety Information report [click here](#). Click on Data tab and go to Fatality Analysis Reporting System (FARS).

UNITED STATES

The **AAA Foundation for Traffic Safety** is dedicated to saving lives and reducing injuries by preventing traffic crashes. It is a not-for-profit, publicly supported, charitable, and educational and research organization. The mission of the Foundation is to identify traffic safety problems, foster research that seeks solutions, and disseminate information and educational materials. <http://www.aaafoundation.org>

The **Insurance Institute for Highway Safety and the Highway Loss Data Institute** are independent, nonprofit, research and communications organizations funded by auto insurers and dedicated to reducing highway crash deaths, injuries, and property losses. <http://www.iihs.org>

The **National Highway Traffic Safety Administration**, a division of the U.S. Department of Transportation, is responsible for reducing deaths, injuries, and economic losses resulting from motor vehicle crashes. NHTSA conducts research on driver behavior and traffic safety, and provides consumer information on motor vehicle safety topics. <http://www.nhtsa.gov>
